

FINE DINING RESTAURANTS

The IBI List is a fun and informative new addition to *InterBusiness Issues*. The concept is simple: we ask companies within a particular industry the questions we think you, our readers, would be interested in knowing the answers to. Companies that respond to our survey have a chance to get the word out about what services and products they can offer central Illinois customers. And the best part is that it's an apples-to-apples comparison. Whether you're making decisions for business or pleasure, the IBI List will be a valuable resource.

Future installments of the IBI List may include marketing/advertising agencies, law firms, staffing firms, financial institutions, accounting firms, realtors, and much more. But for its debut, the List surveyed fine dining restaurants throughout central Illinois.

Disclaimer: InterBusiness Issues makes every attempt to contact relevant companies within the industry being surveyed. IBI is not responsible for misinformation or the absence of companies who choose not to participate.
